Tender Document for procurement of 20 10Gig line cards for NIXI Exchanges Mumbai, Delhi and Chennai

NIXI is looking for upgradation of 10Gig ports at its Internet Exchange Points Delhi, Mumbai and Chennai. For this we require 20 ports 10Gig line cards along with 20 Gigabit Ethernet SFP modules. Since the operational hardware used at these locations are Brocade, only registered supplier vendors of OEM M/S Extreme Networks are eligible to participate in the tender process.

Tender Process:

- 1) Only registered supplier vendors of M/S Extreme networks are eligible to participate in the tender.
- 2) Supplier vendors have to submit their quotations in sealed envelope. The technical specification of hardware is mentioned below. The offer of quotation should be signed and stamped by respective vendor.
- 3) The sealed envelope should be submitted at NIXI office in person.
- 4) Last date of submission of bids should be 10 days from the date of publication in newspaper dated 22nd May 2020 Times of India edition.

Technical Specification:

S.No.	Description	Qty
1	Brocade/Extreme MLXe twenty (20)-port 10-GBE/1-GBE (X2) combo module) (Part Code :- MLX 20-PORT 10-GBE/1GBE (X2) COMBO MODULE	3
2	10 Gigabit Ethernet SFP+ module 1310nm SMF 10km link LC connector (Part Code - LR SFP+ module)	60

- 1) Price schedule as per the technical specification should be separate for Delhi, Mumbai and Chennai NIXI exchange point.

Warranty Clause and other terms and conditions:

- 1) Warranty clause will be same as existing NIXI MLXe switches.
- 2) Payment terms – 90% after supply of material and rest 10% after Installation and Commissioning of line cards.
- 3) Prices should be Indian Rupees.
- 4) GST applicable as per government rules and guidelines.
- 5) The date of delivery period should be 4-5 weeks from the date of receipt of technical and commercially clear purchase order.

Delivery, Installation and Commissioning of Equipment:

The vendor should agree to deliver the line cards and install and commission at Mumbai, Chennai and Delhi IX. No extra charges for Installation & Commissioning. NIXI shall reject line cards supplied if it does not comply with the specifications or does not function properly after installation. The vendor shall replace the non-functioning or defective line cards immediately and ensure proper functioning of line cards.
